

Road Trip BINGO

If you've ever been on a road trip, you know that sometimes they can be pretty long. Well, here's an awesome game to help the time zoom by: road trip bingo! Cut out the two bingo cards at left (you can print out more at explorer.compassion.com). Mark the "free" space on your chosen bingo card with an X to begin. Whenever you look out the car window and see one of the things on your card, draw an X on that square. Once you get five X's in a row, in a column, or diagonally, call out, "Bingo!" You win!
