

# DISCOVER THAILAND

Money used:  
Thai Baht.

Where in the world is Thailand?  
It's in Southeast Asia!

The World

Thailand is a little bigger than California.

Koh Panyee, a village built on stilts in the sea, has the world's only floating football field!

Thailand has over 1,400 islands to explore!

**Popular foods:** pad thai, tom yum soup, green curry, mango sticky rice, massaman curry.

ACTUAL SIZE!

Home to the world's smallest mammal (the bumblebee bat) and the world's largest fish (the whale shark).

NOT ACTUAL SIZE!

**Nickname:** the "Land of smiles." Thai people are famously friendly!

**Capital city:** Bangkok.

Bangkok's real ceremonial name has 168 letters – the world's longest place name!

**People groups:** Thai, Thai Chinese, Malay, Khmer, Indigenous hill tribes.
